Dear Shareholder

Walker Greenbank PLC (“Company”) Request for Consent to Electronic Communications

Provisions within the Companies Act 2006 permit companies to communicate with their shareholders electronically, rather than through printed documents.

Electronic communications has a number of benefits to the Company and to shareholders including reducing costs, increasing the speed of communication and lowering our impact on the environment. We would therefore like to take advantage of these changes and have put in place the necessary facilities to enable us to do this.

At the AGM in 2010 the Company's articles were amended to include appropriate provisions to use website communications with you, and the Company intends in future to publish all shareholder information, including the notice of AGM and Annual Reports on the Company website at **www.walkergreenbank.com**. in the Investors section.

In addition to passing the resolution, company law requires that shareholders are individually asked to consent to the receipt of communications electronically and via a website and this is the purpose of this letter. Please note that if you consent to website publication, you will continue to be notified each time that Walker Greenbank places a statutory communication on this website.

Please see further information overleaf on electronic communications with shareholders and the options available to you.

If you wish to consent to website publication, you do not need to take any action in response to this letter. Please note that you will be able to change your mind in future if you wish to revert to receiving hard copies via post.

If you would prefer to receive these notifications via email then you can register your email address via the share portal: <https://www.capitashareportal.com> or complete Section A of the reply slip enclosed with this letter.

If you wish to continue to receive hard copies of these communications by post, you must complete Section B of the reply slip enclosed with this letter and return to our Registrars.

If the Company does not receive a response from you by **19 June 2011**, we will assume that you have consented to website publication of these documents and you will no longer receive hard copies in the post.

Whichever form of communication you choose, if you have access to the internet we would encourage you to look at the Company's website, **www.walkergreenbank.com** as it provides a wide range of information which may be of interest to you, such as the latest share price, press releases and information on our Brands, as well as the Company's Annual Report and Accounts.

I would also like to take this opportunity to inform you of the services that are available to shareholders via the Registrars website **<https://www.capitashareportal.com>**. These include access to your shareholding and dividend history, submission of your proxy votes, and the ability to amend your dividend mandate details and address online. If you require assistance while using the Registrar's website, please telephone Capita on 0871 664 0391 (calls cost 10p per minute plus network extras, lines are open 9am – 5.30pm Mon – Fri). If dialling from overseas please call +44 20 8639 3367

Yours sincerely

Company Secretary
