

Role: Digital Print Supervisor/Manager

Location: Loughborough, Leicester

Why join Anstey Wallpaper Company?

The wall-coverings market has never been so dynamic and creative. The trend for feature walls, bold pattern & strong palettes has given our prestigious client base an appetite for pushing the boundaries with colour and production techniques. As Europe's premier contract wall-coverings manufacturer, we are leading the way.

As the Digital Print Supervisor/Manager, you will be managing our digital print workflow, liaising with different departments to ensure consistency, efficiency and high standards are maintained throughout the digital print process.

Responsibilities of the role will include:

- Running of the Digital Print machines in-conjunction with your team
- Running of the SRC/winding machines in conjunction with your team whilst incorporating the completion of the digital packaging process
- Delivery of the Digital print plan
- Working with the Planning Manager to achieve customer expectations
- Setting up of approved work ready for production
- Co-ordinating and communicating Digital Print and finishing workloads
- Training and development of your team including appraisals
- Meeting and exceeding departmental KPIs whilst striving for continuous improvement
- Managing communications with HP, Art systems and other key suppliers
- Managing and updating software and computers to ensure they're performing at optimum levels
- Planning and carrying out (where relevant) maintenance of the machines
- Managing substrates levels to ensure uninterrupted running of the machines
- Working alongside the Technical team regarding trials and up and coming developments
- Working with the Studio team ensuring Sampling requirements are planned and delivered.
- Working and building relationships with external companies

Essential skills and experience

- Strong computer literacy skills
- Planning and co-ordination of work loads
- Self-motivated
- Good leadership skills
- Adaptable to change in an extremely agile environment
- Ability to work under pressure
- Project management
- Continuous Improvement knowledge
- Problem solving skills
- Positive and flexible attitude
- Willingness to challenge and improve

What's in it for you:

As an Anstey employee, you will enjoy a competitive financial package, generous staff discounts across all brands as well as licensed products and 25 days annual leave.

If this sounds like the next step in your career - make your application today! We're looking forward to hearing from you!

You must meet the legal requirements to apply for this job. At Anstey we are committed to providing equal opportunities to all applicants and, and we welcome applications from candidates with diverse backgrounds.
